UNCG has received a 2017-18 Federal Direct Parent PLUS Loan application for the above parent borrower. This application contains instruction on whom to refund any remaining credit balance. This form should be completed and submitted by the above parent borrower within 5 business days of the loan’s scheduled disbursement date if any changes to the original authorization option need to be made.

**Change Credit Balance Option**

Your Direct PLUS Loan will first be applied to the student’s account to pay for tuition and fees, room and board, and, if you provide authorization, other educationally related charges. Any loan amount that remains after these charges have been paid is called a credit balance. You may choose to have UNCG refund the credit balance directly to you or to the student.

If there is a credit balance after your Direct PLUS Loan has been applied to the student’s account, to whom do you want UNCG refund the credit balance?
