Dear Student,

The Financial Aid Office has received a request to certify an alternative education loan on your behalf for the 2019-2020 academic year. Our office will certify this loan, as requested, but you need to be aware that both you and your parents (if you are dependent) may also be eligible to apply for loans from the federal government in addition to, or as replacement, of your alternative loan. Federal student loans, in general, provide more advantageous interest rates and repayment terms than alternative loans and should be the first option to consider in financing your education.

You can apply for federal aid by electronically completing the FAFSA (Free Application for Federal Student Aid) at http://www.fafsa.ed.gov. More information about federal student loan programs can be found on the UNCG Financial Aid website (http://fia.uncg.edu), and U.S. Department of Education’s Federal Student Aid website (https://studentaid.ed.gov/sa/).

Once you have carefully considered your loan options, please fill out the bottom of this letter and return this form back to UNCG’s Financial Aid Office. We will not certify your alternative loan until this response is received by our office.

If you have any questions, please do not hesitate to call our office at 336-334-5702.
