Completing Loan Requirements

If your Graduate PLUS Loan is approved and awarded, the following loan requirements must be completed before any funds from your Graduate PLUS loan can be disbursed to your student account.

Loan Entrance Counseling

First time Graduate PLUS borrowers are required to complete an Entrance Counseling. The entrance counseling is to ensure that you understand the responsibilities and obligations you are assuming.

Entrance Counseling can be completed at https://studentaid.gov.

Master Promissory Note (MPN)

The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s). Graduate/professional students may be eligible for both Direct Unsubsidized Loans and Direct PLUS Loans, which have different MPNs. A separate Graduate PLUS Master Promissory Note must be completed for all students borrowing a Federal Direct Graduate PLUS loan.

The Graduate PLUS MPN must to be completed if:

- You have never signed a Direct PLUS Loan MPN
- You signed an MPN more than one year ago but no loan disbursed
- You signed an MPN more than 10 years ago
- You obtained an endorser due to adverse credit history.

The Graduate PLUS Master Promissory Note can be completed at https://studentaid.gov.

NEW! Annual Student Loan Acknowledgement

An Annual Student Loan Acknowledgment must be completed each year you accept a new federal student loan. The goal is to help you understand how your loans affect your financial future.

If this is your first time accepting a federal student loan, you are acknowledging that you understand your responsibility to repay your loan.

If you have existing federal student loans, you are acknowledging that you understand how much you owe and how much more you can borrow.
